MORGAN WALLEN SCORES FIRST NO. 1 ALBUM, SETS STREAM RECORD

CHART CONFIDENTIALBy Paul Tuch
paul.tuch@nielsen.com

Morgan Wallen's *Dangerous: The Double Album* (Universal) debuts at number one on the Billboard Canadian Albums chart, scoring the clean sweep with the highest album sales, on-demand streams and digital song downloads for the week. (The Billboard Canadian Albums chart ranks the most popular albums of the week based on multi-metric consumption, which includes traditional album sales, track equivalent albums and streaming equivalent albums). With over 21 million streams, it sets the record for the most on-demand streams for one week by a Country artist, surpassing the previous record set in October 2020 by Luke Combs' *What You See Is What You Get*. It is Wallen's first chart-topping album, surpassing the No. 21 peak reached in August 2020 of his 2018 release *If I Know Me*. 23 of the songs on the album appear on the Billboard Canadian Hot 100, led by "Wasted On You," which enters at No. 10. It is his second top ten single, following the No. 8 "7 Summers" in August 2020.

The No. 1 album for the last two weeks, Taylor Swift's *evermore* (Universal), drops to No. 2, Pop Smoke's *Shoot For The Stars Aim For The Moon* (Universal) falls to No. 3, The Weeknd's *After Hours* (Universal) edges 5-4, switching positions with The Kid Laroi's *F*ck Love* (Sony).

The only other new release to debut in the top 100 belongs to Barry Gibb's *Greenfields: The Gibb Brothers' Songbook Vol. 1* (Universal) at No. 66. It is his highest appearance on the chart since the Bee Gees' *Number Ones* reached No. 62 in May 2016.

Olivia Rodrigo's "Drivers License" (Universal) debuts at No. 1 on the Billboard Canadian Hot 100, scoring the highest on-demand stream and digital song download total for the week. It is her first chart-topping song and only her second charted song to date. She previously peaked at No. 78 with "All I Want," featured on the *High School Musical: The Musical: The Series* soundtrack album.

The most popular songs according to all-format airplay audience impressions and on-demand streams measured by Nielsen BDS and digital sales data compiled by Nielsen SoundScan. To qualify for this chart, an artist must be Canadian and meet the CRTC 'A' definition (music or lyrics principally performed by a Canadian artist). Artists are considered emerging until 36 months after the date their first Canadian Hot 100 charting entry reaches the top 40 or for a Country song, 36 months after the date their first Country Airplay charting entry reaches the top 25. Artists that pre-date the Hot 100's June 2007 launch are judged on the historic CRTC regulations for Hit and Non-Hit. Once an artist has a title disqualified on these points, their entire catalogue is disqualified. ● Titles showing an increase in overall 6 points over the previous week, regardless of chart movement. ♦ Indicates CanCon. ©2021, Prometheus Global Media, LLC and The Nielsen Company.

DUA LIPA SCORES SECOND CHR CHART-TOPPER

Dua Lipa ends 24kGoldn's ten week run at No. 1 on the CHR chart, as "Levitating" jumps 2-1. It is her second chart-topping song and first since "Don't Start Now" spent five weeks at No. 1 in February 2020.

For the second straight week, Justin Bieber's "Anyone" scores the biggest spin increase at CHR, moving 26-16.

Tiesto's "The Business" is the top new entry at CHR at No. 45. It is his first charted song since "Jackie Chan" reached No. 4 in August 2018.

Foo Fighters' "Waiting On A War" scores the biggest spin gainer at both Rock formats, debuting at No. 11 Mainstream Rock and No. 32 Modern Rock. It is their highest debut since "Something From Nothing" landed at No. 9 in 2014.

AC/DC's "Shot In The Dark" remains at No. 1 on the Mainstream Rock chart. The song has held the top spot at the format for all 15 weeks it has been on the chart. It is the longest consecutive run at the top of the format chart since Glorious Sons' "Panic Attack" spent 15 weeks at No. 1 beginning in June 2019.
